ALL INDIA NGO CONFERENCE -2023 (KOLKATA)

KOLKATA

6-10 November, 2023

SUNDARBAN

Dear NGO / VO Colleague;

We are excited and have an aesthetic feeling to invite you to the historic 'All India NGO Conference (kolkata-2023)' which will be held at Kolkata and Sundarban, West Bengal, from 6th-10th November, 2023!

In the background, Rural Bengal Biospheric Research Foundation (RBRF) is very similar to your esteemed organization and also a registered society of Kolkata, W.B. You would appreciate that, RBRF has undertaken the aforesaid initiative in mission to give birth to a National Platform for the Voluntary Organizations and to Raise a Collective voice; as other organized sectors operate in the same manner. You would also appreciate that there is an urgent need to mitigate the problems, especially the administrative and funding limitations for the Ngos, which ultimately pauses the holistic development of our country! On the other hand, governments as well as the civil administrations are unable to reach every corner of the society/topography, without the active participation of the Ngos, nation-wide. COVID situation has proven that once again. So, this is the right time to be united and to initiate dialogues between the Government and the Non-Government Organizations in a most pragmatic way. It will surely strengthen all the State/District/Block level Ngos. We must somehow go ahead with some common agenda and guidelines. If you agree with our thoughts, we are cordially inviting you as a Respected Delegate of the conference. Please feel free to CONTACT US for any further assistance. Regards;

Place: Kolkata, WB, India

-Team RBRF

Who can participate?

Representatives of any registered Society/Trust or Section-8 company (35-65 yrs) are eligible to attend the conference; i.e. the Founder/President/VP/Secretary/Trustee/Director and Stakeholder only. We are sorry to regret the interests of any employee, for this time.

How to participate?

If you are keen to be a Delegate, first you need to call or WApp on the given number and you will be guided accordingly. Please note, we can accommodate a maximum of 555 organizations, out of 1,70,000 registered organizations in India approximately. To avoid the rush, you may please book your seat as early as possible, before it is too late!

How much would it Cost?

It's a bit of a complicated and confusing issue! Still, this is after getting little sponsorship, the revised cost per delegate is:

Delegation Fee (all inclusive 2D) : INR 3,000/- (mandatory)

Logistic Cost (Kolkata for 3 days) : INR 9,000/- (optional)

Sundarban Touring Cost (2 days) : INR 8,000/- (optional)

TOTAL PACKAGE (Optional) : INR 20,000/-

Delegates can also arrange logistics (Hotel, Food and Transport) on their own. But, if they feel it is difficult, they can ask for RBRF support as per the above budget. Further, we sincerely believe that, when a Delegate comes to Kolkata, She/he must visit Sundarban, the only Mangrove Tiger Habitat of the World a. So, Sundarban Group Tour will surely give you a lifetime experience and the spirit of life, within. Still, we keep it an option for you.

How to Participate?

If you want to be a Delegate, first you need to call or WApp to RBRF to check seating availability for your particular state/UT. Once confirmed by RBRF, Delegate needs to pay the registration fee of INR 3,000/- online. The rest of issues, like Logistic costs and Sundarban Touring costs both are optional. You can arrange those on your own, or finalize those through RBRF, separately, as per your plan. In terms of payment/s, all payments should be made through net-banking or UPI (Gpay) to RBRF. Appropriate receipt and Delegation Pass will be forwarded to all Delegates by email/WApp within 72 hours.

When and Where to Report?

You should report at Kolkata, latest by 8:00 pm on 5th Nov, 2023. You can reach Kolkata Airport (NSIA) or Railway Stations named, Kolkata, Howrah, Sealdah or Santragachi. If you receive logistic support from RBRF, a pull car will be there and the operator will do the needful. Same facility will be available on your return journey, as per schedule. Finally, you should reach and register your name at the conference hall within 9:30 - 10:00 am on 6th November, 2023.

General Rules:

Cancellation and Refund Policy: Booking cannot be cancelled from the Delegate's end and the Delegation Fee is non-refundable, under any circumstances.

Logistic Policy: Logistic policy is different from the main event. Delegates are advised to finalize that separately.

Decision Making Policy: Voting agenda apart, the Convener's decision is final in all respects.
